

## NFC LIVESTOCK PASTURE/OUTDOOR AREA HISTORY SHEET

Give the following information on each pasture or paddock used or planned to be used by your organic livestock. Code: O = Organic; T = Transition/Conversion to Organic; C = Conventional. *Transition/in conversion* means that the pastures are being managed in accordance with organic standards but have not yet met the standards. Indicate in the # of Animals column the # of livestock intended for that pasture or run. In the Inputs column, list all products that have been applied to the area.
